Dear Friend of ESNOC,

We are gearing up for our best day ever! On Saturday, April 23, 2016, patients, families, doctors, nurses, business professionals and volunteers will gather together at TeWinkle Park in Costa Mesa to **UnSeize the Day!** We invite you to join our 6th annual Epilepsy Walk Orange County to raise critically needed funds to help children, teens and adults find relief from seizures.

All proceeds from the walk, our largest fundraiser, go directly towards helping individuals with chronic epilepsy find epilepsy specialists, education and support programs. Last year, we served and educated over 6,400 individuals in our community.

Can we count on your support at the:

_____ **Level**
(see attached Sponsor Levels and benefits)

The **need** is tremendous and we are the only organization in Orange County serving the estimated 11,000 individuals who continue to have uncontrolled seizures. It is our **dream** that every family has immediate support from our organization when an infant/child/teen suffers his or her first seizure. Your support will allow us to actualize this dream: stopping seizures and saving lives.

Please complete and return the enclosed sponsorship form, or, if you prefer, you can go online to www.EpilepsyWalkOC.kintera.org. For printing deadline purposes, please mail the attached form with a check by March 30, 2015.
